Dear Friend,

At the New Jersey Department of Community Affairs, we are dedicated to investing in our communities.

The Department of Community Affairs, through its various divisions and affiliates, is committed to making direct and positive contributions to lives on every street in New Jersey. We can help plan a town, inspect it and protect it. We can work with the town's elected officials and advocate for its residents. Together, we are creating neighborhoods where people want to raise families and build businesses.

Enclosed is information describing the services offered by DCA. We look forward to working with you.

Very truly yours,
